FEES:

Families that are able to pay the \$160 are asked to do so. Participants and families of GOTR that are not financially able to pay the \$160 are asked to choose a cost that suits them.

The fee scale below is provided for families to choose what they are most comfortable affording. The sustainability of this program relies on the honesty and integrity of parents to choose their appropriate registration amount. It is essential that each family contribute as much as they can afford. Local fundraising efforts and donations bridge the gap between program registrations paid and necessary scholarships.
